Dear Adjudicating Officer:

Please transfer the underlying basis of the above applicant's pending I-485 application to the above-referenced preference category. We are making this request so that the I-485 application(s) of each applicant named above may be processed according to the availability of immigrant visas in the employment-based Second Preference category. Volume 7, Part A, Chapter 8 of the USCIS Policy Manual provides that the underlying basis of an I-485 adjustment application may be transferred from one eligibility basis to another if the request is made in writing and there is no break in the continuity of the underlying eligibility for adjustment prior to submission of the conversion request.

Thank you for your consideration.

Sincerely,

Yichen Pan
